but neither of us wants to leave
so we keep breaking one another
and calling it love

PROJECT 1

The concept behind this garment logo was to combine needle, scissor, and tread while forming the letter A that the company name begins with and the overall shape of a dress.

PROJECT 2

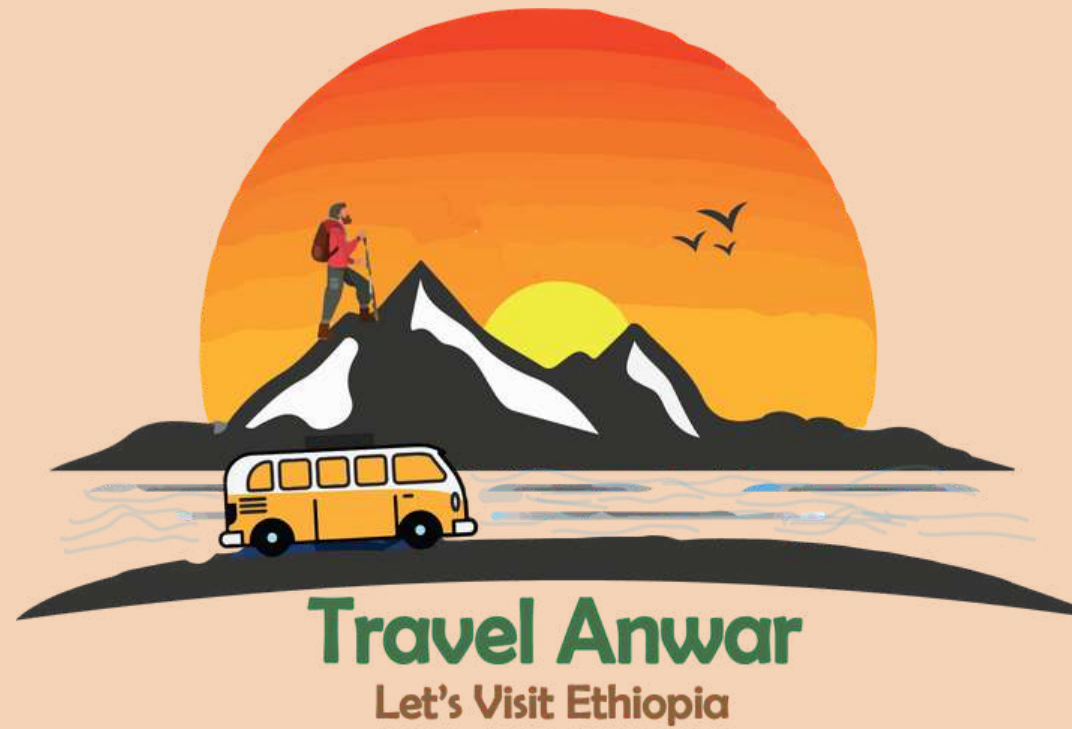

Hiking Logo Designs

To enhance the traveling vibe, a brainstorming logo was created by combining familiar elements such as sun, mountains, and forest.

H SPRINGS

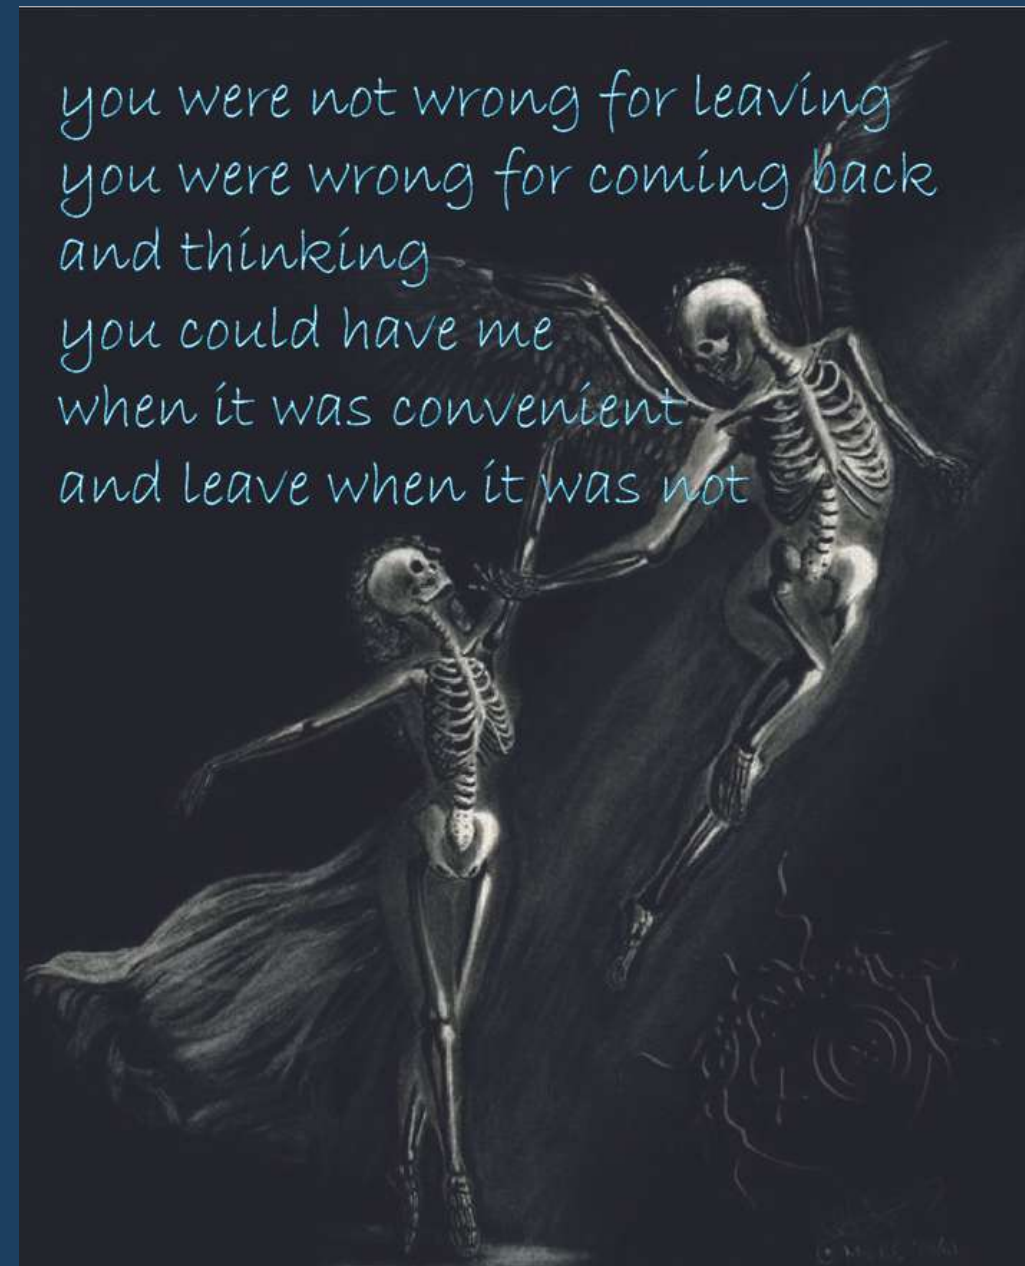

I do not want to have you
to fill the empty parts of me
I want to be full on my own
I want to be so complete
I could light a whole city
and then
I want to have you
cause the two of us combined
could set it on fire

TELL ME TO QUIET DOWN CAUSE
WINGS MAKE ME LESS BEAUTIFUL
I WAS NOT MADE WITH A FIRE IN MY BELLY
COULD BE PUT OUT
NOT MADE WITH A LIGHTNESS ON MY TONGUE
COULD BE EASY TO SWALLOW
MADE HEAVY
BLADE AND HALF SILK
EASY TO FORGET AND NOT EASY
FOR THE MIND TO FOLLOW

you were not wrong for leaving
you were wrong for coming back
and thinking
you could have me
when it was convenient
and leave when it was not
